

LEADING THE FRENCH MARKET WITH OUR DACS SOLUTION "Radiation Dose Monitor"

MEDSQUARE & RDM

- One of the first European companies to develop a Patient Dose Management solution
- Powerful and most complete DACS solution
- Leading the DACS market among European and international players

IN 2014, ALL 3 PUBLIC TENDERS FROM HOSPITAL PURCHASING GROUPS IN FRANCE WERE AWARDED TO MEDSQUARE:

JANUARY 2014 UniHA

(hospital purchasing group for 58 public university hospitals)

AUGUST 2014 RÉSAH-IDF

(hospital purchasing group for 64 public university hospitals)

NOVEMBER 2014 AGEPS

(central purchasing agency of AP-HP, the largest University Medical Center in Europe, a consortium of 37 university hospitals)
